

Annual report 2015 January 1, 2015 to December 2015

President Message: We are celebrating our 4th year as an organization. We have successfully made inroads in the local community for high school students by establishing strong connections with local counties and universities. We are reaching out to the local people to support our cause. Our goal is not only making our high students graduate, but also they become be successful in their career. This is why we have partnered with county school boards as well as universities and corporations. We would like to show our children that there are many opportunities ahead of them and we are here to make sure they will reach their goals by providing support when needed.

We are transparent with our work and share all activities in public domain. We continuous maintain Platinum status from Guide star charity monitoring group and received A+ rating from Better Business bureau for financial and consumer testimonial

We wish to thank everyone for believing in our cause and helping our children. Educating a child not only means providing school education. It also means building a strong family and economy of the nation as a whole.

Achievements:

- **Received 2015 Top rated Non Profit award from Great Nonprofits based on testimonials from our students based on our services.**
